

England: Nebraska at Oxford

July - August 2022

As the longest-running study abroad program at UNL, Nebraska at Oxford has long been an opportunity for students in the College of Business to immerse themselves in a different culture - and earn some much-needed credits along the way. Vin Gupta has been a supporter of this program for many years, and was happy to contribute to the 2022 class of exchange students.

Here are some notable 'stats' based off Vin's generous gift:

- 53 students attending Oxford this Summer.
- Each student received funding.
- Minimum scholarship awarded \$776. Maximum scholarship awarded was \$2,500.
- Average scholarship amount \$1,330.
- 5 Pell Eligible students received funding (awarded max amount).

Thank you, Vin, for your very generous support of UNL's students!
